

GLASS FIBRE SIGNS

We also make rectangular flat plaque signs for a modern *High-tec* Look.

Traditional shapes with moulded frames. All in one piece with light-fast long lasting resins. Giving long-life signage without splitting, cracking, warping etc. Providing lasting signage for years to come.

Any of these signs can be joined to create a double-sided sign either swinging or on posts. Please phone for details.

Largest sign in one piece is 8'x4' with or without frame, but can be joined to create larger signs
